Dear Mr. Logan:

The Federal Election Commission has the statutory duty of enforcing the Federal Election Campaign Act of 1971, as amended, and Chapters 95 and 96 of Title 26, United States Code. The Commission has issued the attached Order to Submit Written Answers and Subpoena to Produce Documents which requires you to provide certain information in connection with an investigation it is conducting. The Commission does not consider you a respondent in this matter, but rather a witness only.

That section prohibits making public any investigation conducted by the Commission without the express written consent of the person with respect to whom the investigation is made. You are advised that no such consent has been given in this case.

You may consult with an attorney and have an attorney assist you in the preparation of your responses to this subpoena and order. However, you are required to submit the information within 20 days of your receipt of this subpoena and order. All answers to questions must be submitted under oath.

INSTRUCTIONS

In answering this request for production of documents and these interrogatories, furnish all documents and other information, however obtained, including hearsay, that is in possession of, known by or otherwise available to you, including documents and information appearing in your records.

Each answer is to be given separately and independently, and, unless specifically stated in the particular discovery request, no answer shall be given solely by reference either to another answer or to an exhibit attached to your response.

The response to each interrogatory propounded herein shall set forth separately the identification of each person capable of furnishing testimony concerning the response given, denoting separately those individuals who provided informational, documentary or other input, and those who assisted in drafting the interrogatory response.

If you cannot provide the requested documentation in full or answer the following interrogatories after exercising due diligence to secure the full information, answer to the extent possible and indicate your inability to answer the remainder, stating whatever information or knowledge you have concerning the unanswered portion and detailing what you did in attempting to secure the unknown information.

Should you claim a privilege with respect to any documents, communications, or other items about which information is requested by any of the following requests for production of documents or interrogatories, describe such items in sufficient detail to provide justification for the claim. Each claim of privilege must specify in detail all the grounds on which it rests.

Unless otherwise indicated, the discovery request shall refer to the time period from October 1, 1994 to December 31, 1994.

The following requests for production of documents and interrogatories are continuing in nature so as to require you to file supplementary responses or amendments during the course of this investigation if you obtain further or different information prior to or during the pendency of this matter. Include in any supplemental answers the date upon which and the manner in which such further or different information came to your attention.
